## Water Fun!

Jul 04 to Jul 08

Let the fun begin at our DROOS Summer Camp with a week full of water fun games! This week the campers will learn how to paint using water colors, play water games and get acquainted with each other! The campers will get a kick out of the wading pool and splash park at Bowness Park and explore the beauty of Fish Creek Park.

## Flashback! Reliving the Past

Jul 11 to Jul 15

Yee-ha! Ya-hoo! Calgary Stampede is here! This week DROOS cowpokes will explore and enjoy reliving the past. Imagine sitting on a hay bale for face painting, trying your hand at cowboy roping, bean bag tossing & more! Campers will also enjoy a nature walk in Fish Creek Park and a fun filled day at Heritage Park and our own DROOS Stampede Breakfast.

## STEM Week

Jul 18 to Jul 22

This week features exciting and engaging play-based STEM activities with loose parts, which makes possibilities endless! Think about building an entire mini city, making math fun with blocks and boxes, exploring different types of aircraft, creating musical instruments, marble run, robots and even going old school to create your own board game, card game or any thing your heart desires! The campers will end the week with a bang at Glenmore Splash with water based STEM activities

## Down on the Farm

Jul 25 to Jul 29

Calling on all Farmhands! Campers should get ready to dig into this delightful week long farm adventure: hands on farm life experience, farm science projects, experiments and STEM projects! To end the full week farm experience, campers will visit Butterfield Acres where they will make new 4-legged friends.

## Under the Sea

Aug 02 to Aug 05

(Closed Aug 01)

Whale-come to the wet week adventure! Campers should get ready to deep-dive into learning about life under the sea, enjoying water themed games such as beach relay, jump the wave etc. and making awesome ocean slime, sand slime etc. Campers will get to experience water play at Riley Park and our backyard river spot at Fish Creek Park!

## Ready, Set Go!

Aug 08 to Aug 12

Are you ready to bring out the MVP in you? Come and play with us: – from relay races, ball & balloon games to obstacle course themed games etc. Campers will go and enjoy a day at Prairie Winds Water Park and end the week with a field day around the community green space. The week is also dedicated to fun & friendly sports that will boost the campers' confidence and spread camaraderie. As a great way to cool off, the campers will enjoy refreshments from our lemonade stand!

## Dino Land

Aug 15 to Aug 19

Is your child interested in Dinosaurs? If so, this is the perfect week for them! We will be doing all sorts of dinosaur activities including a walk in Mallard Point where we can explore and pretend to be dinosaurs. The highlight of the week will be a field trip to the Royal Tyrrell Museum in Drumheller!

## Mystery World

Aug 22 to Aug 26

Who wants to go to an amusement park? How about a whole week of amusement themed activities? Some of the activities would include building our own models of amusement park rides, and designing our own amusement park poster. Campers will take a neighborhood walk to Yellowslide park and the week would not be complete without a trip to Calaway Park!

## Week 9

Aug 29 to Aug 30

(Centre closed Aug. 31)

Day 1: Centre Activities

Day 2: Water Play
